JOURNEY & BURNHAM.

(Founded 1844.)

Flatbush Avenue, Junction Fulton Street.

Good dressers want handsome silk umbrellas. Watch a promenade and see how the nine out of ten well dressed folk feel on this subject. Good dressers who read this will appreciate their opportunity to-morrow for fine silk umbrellas with \$3, \$4, or \$5 handles, as their choice may lead them.

The Umbrellas are pure silk serges, made in the best manner on paragon frames and steel rods, dainty in color, position, and with covers and tassels to match; 28 inch lengths for men and 20 in. for women, beautiful pearl-like horn, ivory and natural wood, with solid silver trimmings; are the finest of high grade sample handles. Whether a man's umbrella is chosen with an old costly handle or a woman's dainty "princess," the value cannot be less than \$4, more than \$7, but the price in any case will be **\$2.98.**

(Early risers will get the best handles. And it's unreasonable to expect to get any after half past ten.)

NOTE—Get These Tailor Cheviots.

2,200 yards of Tailor Cheviots will be on the center table, main aisle, in the morning. It is the fortunate purchase made a day ago, in regular stock, this identical quality is selling at \$1.00 a yard; good strong cloth, with a look of substance. There are a splendid black and two shades of blue, navy and Columbia blue. The width is 50 inches. And if you waited a year nothing ahead of this would come to you at the price, **58c.**, style, quality and wear taken into consideration.

Real vs. Fancied High-class Suits.

"High-class." This compound word originally meant something really good. But it has been wofully abused, as have the Americanisms, "bargain," "best," "special."

Yet we dignify the word high-class as our Suits and Costumes dignify this store, giving it the tone and meaning of that which is above the ordinary. For what else can be applied to tailor-made Suits, Costumes, Silk Waists, Jackets and Capes that are seen nowhere else in the city?

At \$15.00 and on up to \$45.00 we are showing high-class tailor made Suits, handsome Scotch tweed effects, with tight fitting, double breasted reeler or fly front jackets and newest shape habit-back skirt.

Remnants of Table Linen.

To-morrow there will be a remnant sale of Table Linen by the yard; also remnants of kitchen and glass toweling. The lengths are desirable and the prices, *more so*, if you find what you need.

In addition to the above, Table Linens, newly patterned and surely good, are offered at these low figures:

Table Cloth, 2 by 2½, **\$2.00**; 2 by 2½ yrs., **\$2.50**; 2 by 3 yrs., **\$3.00**. Napkins to match, 10 by 20 ins., **\$2.00**; a doz., 24 by 24 ins., **\$3.00**.

WOODRUFF'S CIRCULAR OUT**THE LIEUTENANT GOVERNOR ATTACKS TANNANY RULE IN KINGS.****HE ASKS FOR SUPPORT IN THE LEGISLATIVE CAMPAIGN COMMITTEES ARE ANNOUNCED**

In accordance with his announced intention of conducting a campaign of literary education rather than of oratorical mass meetings, Lieutenant Governor Timothy L. Woodruff yesterday issued an appeal for the support of the Republican ticket in the form of a circular letter which is to be sent to every voter in the county. It begins by showing the importance of an election in the second largest county in the pivotal State of the Union and continues by saying that the Republican party of Kings is more harmonious than it has been in a generation. An appeal is made to all to get their friends to register and vote, and the circular concludes by a touching arrangement of what Tammany Hall has not done for Brooklyn. It is in part as follows:

TANNAMY HAS DONE NOTHING

You can ask what consideration the thoroughness of Tammany has received at the hands of the Democratic administration of the greater city. You can ask them to name one man or woman who has received the interests of the people of the Borough of Brooklyn.

The letter is signed by men from all the minor factions, including William J. Butler, excepting those of the Wilson faction.

CAPTAIN TUMBLIDGE MUST PAY THE BILL**HOTEL ST. GEORGE PROPRIETOR HELD RESPONSIBLE FOR MR. ADAMS'S DENTAL WORK**

According to a decision rendered by Justice Jacob Nea in the Municipal Court, Captain William Tumblidge, proprietor of the Hotel St. George, will be obliged to pay to Dr. David S. Skinner, a dentist of No. 19 Montgomery, a sum of \$6 for work alleged to have been done for Mrs. Sallie B. Adams of No. 14 Seventh. In Skinner swore that two years ago Captain Tumblidge made an appointment for Mrs. Adams and said "Go on with the work and do whatever is necessary, and I will pay the bill."

SCHOOLS STILL INADEQUATE

You can ask those uneducated voters, who hold the balance of power, what has been done during the last two years of Tammany control to provide sufficient educational accommodations for our rapidly increasing population? What has been done to encourage the interest of our scholars, or any form of education? Will you please ask your friends what is being done to encourage the upbuilding of our commerce and manufacturing? What is being done to assist our municipal charities? How many times this ardent and zealous leader has not gone out of its way to help honest labor in the face? Perhaps this is the great reason why the contractors are so prominent in the Tammany administration.

Ack your friends on the police force and ask them if the Fire Department is in better condition now than January 1, 1888. Just ask your friends if they are not more satisfied now than ever before in matters of local improvement, but generally ill used. Most of them are silent. Then call their attention to what Tammany Hall has done, but may not fully realize.

ABRAHAM AND STRAUS
BROOKLYN.**Just a Few Words.**
